

Occurrence of COVID-19 infected person incidents

We want to inform you of the following information regarding the outbreak of COVID-19 infection among our Group companies.

We will continue to cooperate with the relevant authorities and make every effort to continue our services to customers while prioritizing preventing the spread of infection within and outside the company and ensuring employee safety.

We will make another announcement if there is any impact on our business. In addition, we will adequately disinfect the facility following the guidance of the relevant organizations.

We apologize for any inconvenience this may cause and sincerely appreciate your understanding.
